

Comint Systems and Solutions Pvt Ltd (CSSPL) is leading System Integration & Engineering company with excellent R&D , Manufacturing facilities with committed team of qualified and experienced technical work force for indigenous design, development and manufacturing of products from concept to completion in the areas of Defence Electronics & Communication.

## Power Dividers /Combiners

**CSSPL offers Power Divider/Combiner solutions for both low and high power signal applications. The module delivers high port-to-port isolation , best phase and amplitude unbalance .**

### FEATURES

- 2, 4 , 8 ,12 ,16 way
- Power Splitting / Combining
- Wideband performance
- Low insertion Loss
- Amplitude and Phase unbalance
- Power handling 20 W
- DC Blocking (option)
